

## Shareholder Descendant Program

Ounalashka Corporation (OC) invites direct lineal descendants (e.g., the children, grandchildren and great-grandchildren, etc.) of voting OC shareholders to register their information with OC. Descendants who are already OC shareholders do not need to enroll.

The information submitted through the registration process is being collected to:

- improve communications with descendants who may become OC shareholders in the future through gifting or inheritance
- provide information on potential opportunities and activities
- aid the Edna P. McCurdy Foundation in establishing proof of eligibility for scholarships

With each successive generation, it is becoming more challenging to document a descendant's relationship to an original shareholder.

Please note that beginning in 2019 the Edna P. McCurdy Foundation will require descendants who are not currently shareholder of OC to register as a descendant to apply for funding. The process aids the foundation in the administration of its programs by allowing it to access and use submitted documents for eligibility determination purposes.

With each successive generation, it is becoming more challenging to document a descendant's relationship to an original shareholder. Collecting the information now makes the application process easier for both current and future generations.

To encourage descendants to maintain updated contact information, quarterly prize drawings are conducted from the names of all confirmed descendants.

Your completed application with required documents should be returned to:
