We are an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.

Find out about apprenticeship opportunities in **more than 20 different construction trades**. Representatives from the Alaska Apprenticeship Training Coordinators Association (AATCA) will be on hand to answer questions about how to prepare for and successfully apply for apprentice opportunities.

AATCA will help answer questions like:

- How do I get into an apprenticeship?
- When do the apprentice opportunities become available?
- How long does the apprenticeship last?
- What are the typical applicant qualities?

Attend one of our workshops and ask the expert!
