

Dear Shareholder,

The Alaska Federation of Natives (AFN) received a grant in the amount of \$35.1 million on behalf of 73 Tribes, ANCs, and Tribal organizations. The grant is intended to reduce barriers to broadband usage among Alaska Natives by providing broadband-enabled devices, subsidizing broadband service, and implementing digital skills and workforce training for each Shareholder household. Additionally, the National Telecommunications and Information Administration just announced another grant opportunity to bring broadband and computer equipment to communities through its Digital Equity Program.

OC has already been notified by AFN that it will receive a *portion* of the \$35.1 million; however, the exact amount is unknown at this time. OC has also submitted its request to NTIA under the Digital Equity Program. This grant has not yet been awarded; however, award amounts are between \$50,000-\$150,000 per ANC.

What we do know is that under both funding opportunities, OC will be required to provide AFN and NTIA specific information regarding shareholders and electronics in each household. This information must include: (a) the number of shareholders that reside in the household; (b) how many computers are currently in the household; (c) how many printers; (d) how many household members are enrolled in school; and (e) what grade level(s) (to include Kindergarten through College/Grad School).

In order to obtain this information, we need each shareholder and/or head of household to complete this application providing the details requested below to us. OC will be required to provide the requested information to AFN and NTIA shortly after it is requested by each. Therefore, **THE DEADLINE FOR SUBMITTING THIS APPLICATION/BEING ELIGIBLE TO RECEIVE ANY OF THE EQUIPMENT/FUNDS IS AUGUST 15, 2022.**

Applications may be emailed to kbrakes@ounalashka.com or mailed, hand-delivered to 400 Salmon Way, Unalaska, AK 99685, mailed or hand-delivered to 745 W. 4th Avenue Suite 500 Anchorage AK 99501.
